

A 20x20 grid of squares, each containing a small black square. The black squares are arranged to form a noisy, pixelated representation of the letter 'A'. The grid is composed of 20 rows and 20 columns. The black squares are distributed across the grid, with a higher concentration in the center, forming the shape of the letter 'A'. The background is white, and the black squares are of varying sizes, creating a noisy effect.
