

A 20x20 grid of black squares on a white background, representing a sparse matrix. The squares are distributed across the grid, with some rows and columns being more densely populated than others. The pattern is irregular and non-symmetric.

A 20x20 grid of squares, some filled with black, forming a sparse, abstract pattern. The pattern is denser in the upper half and sparser in the lower half, with some isolated squares and small clusters.

A 7x25 grid of squares representing a sparse matrix. The squares are arranged in a pattern that suggests a banded structure with some additional non-zero elements. Row 1: 25 squares. Row 2: 25 squares. Row 3: 17 squares. Row 4: 22 squares. Row 5: 25 squares. Row 6: 4 squares.

A 5x20 grid of squares representing a sparse matrix. The squares are arranged in a pattern that suggests a banded structure with some off-diagonal elements.

A 5x20 grid of squares representing a sparse matrix. The squares are arranged in a pattern that suggests a banded structure with some off-diagonal elements.
